School in the Pines Behavior Policy Letter

Dear Parents,

Welcome to you and your child. We are so glad you have chosen School in the Pines!

Every child is valuable; we will not use shame or humiliation to bring about acceptable behavior. We make every effort to be fair and consistent in directing children away from undesirable behavior and toward positive behavior.

School staff strives to provide for the physical safety and emotional wellbeing of every child in our program. We stress the importance of verbal communication and “using our words.” This equips children to identify, talk about, and act upon their feelings in a positive manner. We are committed to helping children build self-esteem and self-confidence through positive reinforcement, social interactions, and educational play and learning.

Occasionally, a child may have difficulty following rules or guidelines. If this occurs, the teacher will use a verbal warning and explain the misbehavior. With a second or continued undesirable behavior, the child receives a time-out and is held accountable for his/her actions. If the behavior continues, the teacher will fill out a written behavior form, to be viewed by the parent. In certain situations, a parent may be called to discuss the problem and work on a plan to address behavior problem. We will do everything we can to work with you and your child to avoid dismissal from school. As a last resort, a parent will be called to remove the child (on a temporary or permanent basis) if he/she is blatantly defiant and/or endangers him/herself, other people or property.

Sincerely,
School in the Pines
