Field Trip and Swimming Permission Slip

My child _____ has permission to participate in field trips away from the school, as outlined on the separate field trip schedule. We will travel as a group on a Goodman Bus with a certified bus driver. Please see detailed info on field trip schedule.

My child _____ has permission to swim at Forest Oaks Swim and Racket club. I understand my child must pass a swim test (swim entire length of pool without stopping to hang on lane rope or touch sides/bottom of pool) and he/she must abide by all rules set by SITP staff and Forest Oaks lifeguards. Failure to follow directions will result in loss of pool privileges. If you don't want your child to swim, please "x" out this portion of form.
